## **OUR COLLEGE**

This year our Krishna Chandra College, Hetampur, has Completed 118 years of its existence. It was founded by Maharani Padma Sundari Devi, Wife of Maharaja Ramranjan Chakroborty, in the name of her father-in-law Raja Krishna Chandra. In 1896 the college got the seal of approval from The University of Calcutta to teach First Arts course. Now it has 14 Honours departments besides B.com. General faculty. It is not a mean achievement for a village located in a rural area. Quite a number of celebrated teachers and scholars, e.g. Dr. Biman Behari Majumdar, Sri Anil Baran Roy, Prof. Debipada Bhattacharaya, and Prof. Jyoti Kumar Sengupta etc. started their professional career in this College. From the long list of bright students of this college, a few names may be picked up namely Srikumar Bandopadhaya, Prof. Ramaranjan Mukhopadhyay, Dr. K.N. Chatterjee. Although located in a rural area, the college is an easily reachable place. The road that passes by the village is now elevated to the status of a State Highway and the number of buses running on the road is sufficient. The climate is salubrious and distance from the dean and hustle of city life imparts a rural liveliness to the environment.
